RECOMMENDED ROUTE

Start Your Day: With a unique and cozy breakfast at The Cornucopia Café in Grantsville. Try their salted caramel coffee creamer!

Afternoon Activity: Mountain biking at the new trails at Deep Creek Lake State Park, enjoy your FireFly Farms picnic at the park's beach area or hike through Swallow Falls State Park (and see all three falls!)

Appetizer and Drinks: Fresh shrimp and a cold beer on the deck or inside by the big windows at Deep Creek Seafood.
